of the
Evidence,"
certification,
etc.

SECTION 1. Chapter two hundred and seventy-eight of the General Laws is hereby amended by inserting after section thirty-three the seven following new sections:— *Section 33A.* In any proceedings or trial upon an indictment for murder or manslaughter, the evidence shall be taken by an official stenographer or by a stenographer appointed by the court, and transcribed in such number of copies as the court may direct. The evidence transcribed shall be designated as the "Transcript of the Evidence", shall be certified by the stenographer and shall, with

such corrections as are made therein by direction of the court, be regarded as a true record of the evidence. Alleged errors in the transcript of the evidence must be seasonably called to the attention of the court. Exceptions taken during the proceedings and trial shall be numbered consecutively in the transcript of the evidence. *Section 33B.* A defendant in a case of murder or manslaughter aggrieved by an opinion, ruling, direction or judgment of the superior court, rendered upon any question of law arising out of such case or upon a motion for a new trial, but not upon a plea in abatement, who desires to appeal therefrom and whose exceptions thereto have been seasonably saved shall, within twenty days after verdict, file a claim of appeal in writing with the clerk, who shall forthwith notify the district attorney of such claim. *Section 33C.* Upon the filing of a claim of appeal, one copy of the transcript of the evidence shall be delivered to the clerk, who shall forthwith cause it to be substantially bound into volumes of convenient size and inscribed with the name of the court from which the appeal is taken, the title and number of the case, and the term "Transcript of the Evidence". The clerk shall forthwith prepare a concise summary of the record, which shall also include a copy of the indictment and of such pleadings and motions as the district attorney or defendant may designate. Written notice of the completion of the summary shall be given by the clerk to the defendant or his counsel of record and the fact that such notice was given shall be certified upon the record. *Section 33D.* Within ten days after the notice provided for in the preceding section the defendant shall file an assignment of errors. For cause shown, a justice of the superior court may extend the time for filing such assignment of errors; provided, that no assignment of errors may be filed more than thirty days after such notice except upon order of a justice of the supreme judicial court. The specific grounds upon which any claim of error is based shall be set forth in a concise form. The mere statement that the evidence was inadmissible or immaterial or irrelevant, without other grounds, shall not be a sufficient assignment of error. There shall be no statement of testimony in the assignment of errors other than by reference to pages in the transcript, except when it is essential to clarify the point raised. *Section 33E.* The clerk shall as speedily as possible transmit the bound copy of the transcript of the evidence, the summary of the record and the assignment of errors, which together shall constitute the record on appeal, to the supreme judicial court for the proper county. The entry thereof shall not transfer the case but only the questions to be determined. The supreme judicial court shall consider all questions of law fairly raised. *Section 33F.* If the defendant neglects to file an assignment of errors within the time specified in section thirty-three D, or to enter his appeal in the supreme judicial court, or to take the necessary measures for the hearing of the cause in the supreme judicial court, a justice of said court may, upon the application of the district attorney and after notice, order that the appeal be dismissed and that the judgment appealed from be affirmed,

SECTION 2. Section thirty-one of said chapter two hundred and seventy-eight is hereby amended by inserting after the word "abatement" in the fourth and fifth lines the words:—; provided, that exceptions alleged in any proceedings or trial upon an indictment for murder or manslaughter shall be governed by sections thirty-three A to thirty-three G, inclusive, and no bill of exceptions shall be entered or considered in the supreme judicial court in any such proceedings or trial, — so as to read as follows: — *Section 31.* Exceptions may be alleged by a defendant in a criminal case who is aggrieved by an opinion, ruling, direction or judgment of the superior court rendered upon any question of law arising at the trial of such case or upon a motion for a new trial, but not upon a plea in abatement; provided, that exceptions alleged in any proceedings or trial upon an indictment for murder or manslaughter shall be governed by sections thirty-three A to thirty-three G, inclusive, and no bill of exceptions shall be entered or considered in the supreme judicial court in any such proceedings or trial. Any such order shall apply only to the classifications or premium charges in respect to such policies or bonds to be issued or executed in connection with the registration of motor vehicles or trailers for the subsequent year and shall be filed in the office of the commissioner on or before September first of the year when the order is made. A duly certified copy of any such order shall forthwith after such filing be transmitted to each company authorized to issue such policies or execute such bonds. Any person or company aggrieved by any action, order, finding or decision of the commissioner under this section may, within twenty days from the filing of such memorandum thereof in his office, file a petition in the supreme judicial court for the county of Suffolk for a review of such action, order, finding or decision. The court shall have jurisdiction in equity to modify, amend, annul, reverse or affirm such action, order, finding or decision, shall review all questions of fact and of law involved therein and may make any appropriate order or decree. An order of notice returnable not later than seven days from the filing of such petition shall forthwith issue and be served upon the commissioner. Within ten days after the return of said order of notice, the petition shall be assigned for a speedy and summary hearing on the merits. The action, order, finding or decision of the commissioner shall remain in full force and effect pending the final decision of the court unless the court or a justice thereof after notice to the commissioner shall by a special order otherwise direct. The decision of the court shall be final and conclusive on the parties. The court may make such order as to costs as it deems equitable. The court or justice shall as soon as may be give a summary hearing thereon and shall have jurisdiction in equity to affirm or reverse such decision. The decision of the court or justice shall be final. The superior court may make reasonable rules to insure a prompt hearing on such petitions and a speedy disposition thereof. OFFICE OF THE SECRETARY.
BOSTON, August 4, 1925.

Pursuant to the provisions of Article XLVIII of the Amendments to the Constitution, "The Initiative. II. Initiative Petitions. Section 3" (Article 79 of the Rearrangement of the Constitution), an initiative petition was filed in this office September 18, 1924, signed by ten qualified voters together with the certification of the Attorney General that the measure was in proper form for submission to the people, and the remainder of more than the required number of qualified voters (25,927) was filed December 1, 1924, representing that there was need for legislation, either by the general court or by the people, to permit certain athletic outdoor sports and games on the Lord's Day between 2 and 6 p.m. to which admission fees may be charged and the taking of collections of money, etc., accompanied by a Bill entitled, "An Act to permit Certain Sports and Games on the Lord's Day".

Initiative petition filed to permit certain athletic sports and games on the Lord's Day between 2 and 6 p.m. to which admission fees may be charged and the taking of collections of money, etc.

Under date of January 7, 1925, said petition was transmitted by this office to the Clerk of the House of Representatives and was thereby deemed to be introduced and pending in the general court.

The general court at its session of 1925, after due consideration of the petition and its accompanying Bill (House document No. 228) failed to enact the law in the form in which it appeared with the petition, or a law in any form before the first Wednesday of June, 1925. The committee on legal affairs of the general court filed a majority and minority report which was printed as House document No. 1181 for the year 1925. Forms were supplied the petitioners to obtain the required number of additional signatures required by the Constitution.

Said petition was completed by the filing in this office August 3, 1925, of a sufficient number (9,317) of additional signatures of qualified voters of the Commonwealth and said law will be submitted for approval or disapproval by the people at the state election, November 2, 1926.

Submission to the voters, November 2, 1926.

FREDERIC W. COOK,
Secretary of the Commonwealth.

NUMBER OF ACTS AND RESOLVES APPROVED, APPROVAL WITHHELD, AND LIST OF ACTS AND RESOLVE VETOED BY THE GOVERNOR UNDER AUTHORITY OF THE CONSTITUTION, AND PROPOSAL FOR A LEGISLATIVE AMENDMENT TO THE CONSTITUTION.

The general court, during its first annual session held in 1925, passed 347 Acts and 40 Resolves, which received executive approval and one Act from which executive approval was withheld but has become law by virtue of chapter 1, section 1, Article 2 of the Constitution of the Commonwealth.

One (1) Act entitled, "An Act relative to the fees of constables for attendance upon the supreme judicial, superior or probate court in certain counties", (Chapter 138), was passed, but failed to receive executive approval; as, however, it was not returned, with objections thereto, within five days after it had been received in the executive department, the general court not having been prorogued in the meantime, said act has the force of law, under the provisions of the Constitution governing such cases, and has been so certified.

Thirteen (13) Acts entitled, respectively, "An Act exempting certain veteran organizations from license fees for keeping billiard, pool or sippio tables or bowling alleys"; "An Act relative to the retirement allowance of Francis E. Carroll, a former employee of the city of Boston"; "An Act relative to the retirement and pensioning of Anthony J. Rock, a member of the police department of the city of Boston"; "An Act relative to the retirement and pensioning of Richard A. Friel, an employee of Suffolk county"; "An Act authorizing the city of Boston to pay a sum of money to John Curran"; "An Act authorizing the city of New Bedford to increase the pensions of Edward F. A. Cowen and Charles W. Allen"; "An Act authorizing the city of Boston to pay a sum of money to Joseph Chaisson"; "An Act establishing the salary of the clerk of the board of police for the city of Fall River"; "An Act making appropriations for the maintenance of departments, boards, commissions, institutions and certain activities of the commonwealth, for interest, sinking fund and serial bond requirements, and for certain permanent improvements" in which act the amounts of five items were reduced and three items disapproved; "An Act authorizing savings banks to invest in certain railroad equipment securities"; "An Act repealing certain provisions of law relative to the payment of subsidies to cities and towns for the care in hospitals of patients suffering from tuberculo-

sis"; "An Act to establish the salary of the present physician and surgeon at the state prison"; "An Act relative to the support of inmates of the Lakeville state sanatorium suffering from extra pulmonary tuberculosis" and one (1) Resolve entitled, "Resolve relative to the renewal of the registration of Henry A. Stevens as an embalmer", were passed and laid before the governor for his approval; were returned by him with his objections thereto, to the branch in which they respectively originated; were reconsidered, and the vote being taken on their passage, the objections of the governor thereto notwithstanding, they were rejected, and said acts and resolve thereby became void.

The general court at a joint session of the two Houses held March 18, 1925, passed a "Proposal for a legislative amendment of the constitution relative to the authority of the general court to provide limited forms of town meetings", which proposal, having been agreed to in joint session of the general court held May 29, 1924, has been certified by the clerk of the joint session to the secretary of the commonwealth, who will submit the amendment to the People at the next state election to be held November 2, 1926.

The general court was prorogued on Saturday, May 2, 1925, at eight minutes before one o'clock A.M., the session having occupied 116 days.

RETURNS OF VOTES UPON CONSTITUTIONAL AMENDMENTS AND QUESTIONS
SUBMITTED TO VOTERS.

Returns of Votes upon the Question "Shall an Amendment to the Constitution relative to the Qualifications of Voters for Certain State Officers (striking out the Word "Male"), which received in a Joint Session of the Two Houses held May 24, 1921, 258 Votes in the Affirmative and None in the Negative, and at a Joint Session of the Two Houses held May 10, 1923, received 254 Votes in the Affirmative and None in the Negative, be approved?" submitted under the Provisions of Article XLVIII of the Amendments to the Constitution, (Re-arrangement, Article 88), to the Voters of the Commonwealth at the State Election held November 4, 1924.
